We are a composite knit manufacturer of quality exportable fabrics and apparels in Bangladesh having all state of the art facilities with monthly turnover US\$ 1.00 million. It is located at Savar near Dhaka city about 20 KM - 20minutes minutes drive from Capital city. It has been incorporated in October' 2003 as a private Limited company under RJC of Bangladesh. We are operating following process in our own premises:

## **FABRIC SECTION:**

The section is equipped with 8 units of Dying machine of SCHOLL,TONG GEN brand. These brands are reliable and dependable to produce quality knit Fabrics. Finishing section has been designed with the latest model of CALATOR Dewatering and ALBARCH dryer with FABCON -USA, Compactor also ALBARCH SOFT SETTING Blanket technology. Beside REB Power we always keep our GAS driven Doeus MWM, German Gas generator full time to avoid interruption of production also Caterpillar Diesel 500KVA generator standby if any power failure.

A wide range of new products development to meet requirement of the buyer. We generally produce the following types of fabrics: -

Single Jersey	140-240 Gsm
Pique	160-280 Gsm
Lycra Pique	180-320 Gsm
Lacoste	180-280 Gsm
Feeder Stripe(Pk& S/J)	150-240 Gsm
Drop Neddle	160-240 Gsm
Fleece(One Side Brush)	250-320 Gsm
Lycra S/J (Full Feeder)	160-240 Gsm
Lycra Rib 1x1 & 2x2	180-360 Gsm
Terry+ FLEECE BRUSHED ( 3 Thread)	220-330 Gsm
Interlock	180-280 Gsm
Normal Rib 1x1 &2x2	180-240 Gsm
Flat Knitted Solid & Tripping Collor & Cuff	As Required.

**The knitting capacity is 3,000 Kgs per day supported by production of collar & cuff 15,000 sets per day.**

We are specialist in Lycra full feeder with all type of fabrics. So, we are producing Lycra s/j, pique, fleece, french terry, feeder stripe- s/j + pique. 1x1 & 2x2 rib with heat setting to avoid crease mark.

We are also specialist for water repellent fabrics & platting fabrics.
